

Congratulations My Friend,

I am very delighted to have you on my HealthyNULiving (HNL) Team and I want to thank you for becoming a FREE Customer in my new Global Home Business.

You would have received a welcome letter in your email, direct from HNL and in that email is a "Discount Code" for you to use to receive a 20% Discount on your purchases. When you go to the "Shopping Cart", you will see the area to place your "Discount Code" on the bottom left side.

As a FREE Customer, there is NO Purchase Requirements, ever. You can shop whenever you wish and ALL our Products are already at Wholesale Prices.

All prices are in USD and when it comes to Shipping, please realize the cost will depend on the location the Products are Shipped to and the size. To keep Shipping cost reasonable, please consolidate your purchases. As an example: One Product can be \$x.xx but 3 or more makes the Shipping cost less per unit.

Note: FREE Customers can not register new Customers, only Partner Members can. There is a Partner Business Opportunity to generate a Residual Income if you wish. All you have to do is click "Up-Grade" in your Back-Office.

If you have any questions or need help, please contact me and I will get the answers you desire.

Thank you my friend.
