

# “MY CRUSADE”

Name: ..... Date: .....

By joining Crypto Elevation, I have honored my commitment to pay-it-forward, my pay-up Stage donations in the donation funnel, to assist in the Choice Humanitarian “crusade”. I understand, by doing so, I will have my option to form my very own “crusade” of where I will personally receive pay-up donations to achieve my very own goals. This will be done from my own efforts and also from the “forced matrix” system designed to assist in filling my matrix community. I will eventually have 510 community members in my donation platform that will be with me forever in this pay-it-forward venture.

Example: My name is Michael Courtois. My “crusade” is to provide assistance to the Choice Humanitarian efforts and a 10% quarterly donation to the war amps.

Your “crusade” can be of charity, medical, personal or anything that will give you purpose to promote your very own “crusade”

## Define “Your Crusade”
